

“Zoom in” with the teacher !

Dear Parent,

At the start of each year we like to hold “Meet the Teacher” type meetings for all of our classes. Normally these take place in your child’s classroom but of course this is not possible at the moment. Instead we are offering parents an opportunity to join an online zoom meeting with the class teacher.

The purpose of these meetings are so that you can get to know your child’s teacher, hear about the learning your child will be doing and understand the expectations for that year . The meetings will last for half an hour and there will be some time for questions at the end. If you feel you need further time with the teacher for questions or discussion, this can be arranged on an individual basis.

We are keeping the meetings to 30 minutes as some parents may want to attend more than one as their children are in different classes.

If you would like an invite to a meeting, please email your child’s class teacher using the email address you would like the invitation sent to and include the name of your child.

Please note that recording of these zoom meetings is not permitted.
