

Potential return to school of Nursery, Reception, Year 1 and Year 6

Dear parent,

There is a possibility that we may be able to cater for some more children returning to school before the end of term.

The children who return have to remain within a confined group which is known as a “bubble” and the numbers of children allowed in each bubble is limited, far less than a whole class.

We do not have capacity to open new bubbles for all the year groups who are eligible to return. In order to plan , we now need to know which parents would choose to send their child back to school before the end of this term, *if the opportunity was there*.

Please could you email school or ring the school office before the end of Wednesday 24th June if you would choose to send your child back over the next couple of weeks.

Please note that we will not be able to accommodate all children as we do not have the staffing required to create a further bubble for every year group.

Thank you.

Mrs H Wilson
