

2021 School Lockdown

Parent Update

Free School Meal Information

Dear parent,

We are able to provide a school packed lunch this week for children who are entitled to free school meals.

Please ring school before 4pm today (Tuesday Jan 5th) to order these. They will need to be collected from school each day.

We have been told that from Monday or Tuesday next week, parents can collect from school a food pack which is designed to provide lunches for your child for 5 school days. This pack is provided by Taylor Shaw, our school meals contractor.

If you require a food pack, please ring school by 10.00am tomorrow (Weds 6th Jan) so that this can be ordered.

Thank you.
