

Dear parents/carers,

Thank you again for your ongoing support during these difficult times. The children have been working very hard with their online learning. If your child is not completing the work they have been set, I will be contacting individual parents to provide any support that may be required to ensure your child is keeping up with their work.

I have created this **suggested** timetable to support your child with their routine at home. Please note that this is a **suggested** timetable as I understand that everyone's circumstances are different due to other siblings and parents also working from home.

Thank you again,

Mrs Thomas
