

Year 3 / 4 TEAMS Video Meeting Sessions

Dear Parent/Carer,

We have put together a timetable for our online learning during this lockdown period. The sessions outlined are the lesson introductions. I will introduce their learning to enable the children to access the work set. We know that this is a very difficult time for parents and juggling home life with working from home is not easy. Please just try to do the best you can. If your child is unable to access their meetings, their work (with instructions) will be available for them to access on Teams, under 'Assignments.' The most important part is that they complete their learning and submit it. Please do not hesitate to contact me via TEAMS or e-mail for any help or advice. As before, I know we can work together to make this difficult time as successful as possible for our children. I look forward to speaking to you all soon.

If you have any problems logging on to Teams, please contact school and we can support you with this.
