

Middlestone Moor Primary School

Half term Update for parents of pupils in school—February 21

Dear parent/carer,

It has been a delight to have your child in school this half term during lockdown. The children have not only worked hard and behaved brilliantly, but they have brought life and happiness into the school which would otherwise have been rather cheerless and empty. They are a huge credit to all of you in the way they have coped and applied themselves to their learning in these strange and difficult circumstances !

On behalf of the staff may I thank you for the kind words and support we have received. The lockdown has been a struggle for everyone and brought huge challenges to school as staff try to teach their children at home and in school. We have really appreciated your kindnesses.

As we break up for half term could I remind you that if your child has been in school but becomes ill with covid symptoms this weekend and then tests positive, please can you email school to let us know as it may affect their bubble...middlestonemoor@durhamlearning.net

If they are tested and it is negative, we don't need to know.

If symptoms start from Monday 15th February, we don't need to be informed and you would use the usual NHS test and trace service.

Finally we hope that you have a very safe and peaceful half term break and that both our children and their families get some rest ! We will look forward to seeing the children back in school on Monday 22nd February. If your required days have changed, please send us an email or phone the school office.

Thank you.

Mrs H Wilson
