

Information for Families

The email you received with this information contains a link to a website where you can choose between four supermarkets and redeem your vouchers – the vouchers are called ‘eCodes’. Please note the support provided is for food supplies only in the supermarkets listed – you are not able to access the other stores on the Award e-code notification.

1. You will receive an email from Vouchers@select-your-reward.co.uk inviting you to follow a link to select their voucher.
2. In the email you can follow the link to select your voucher:

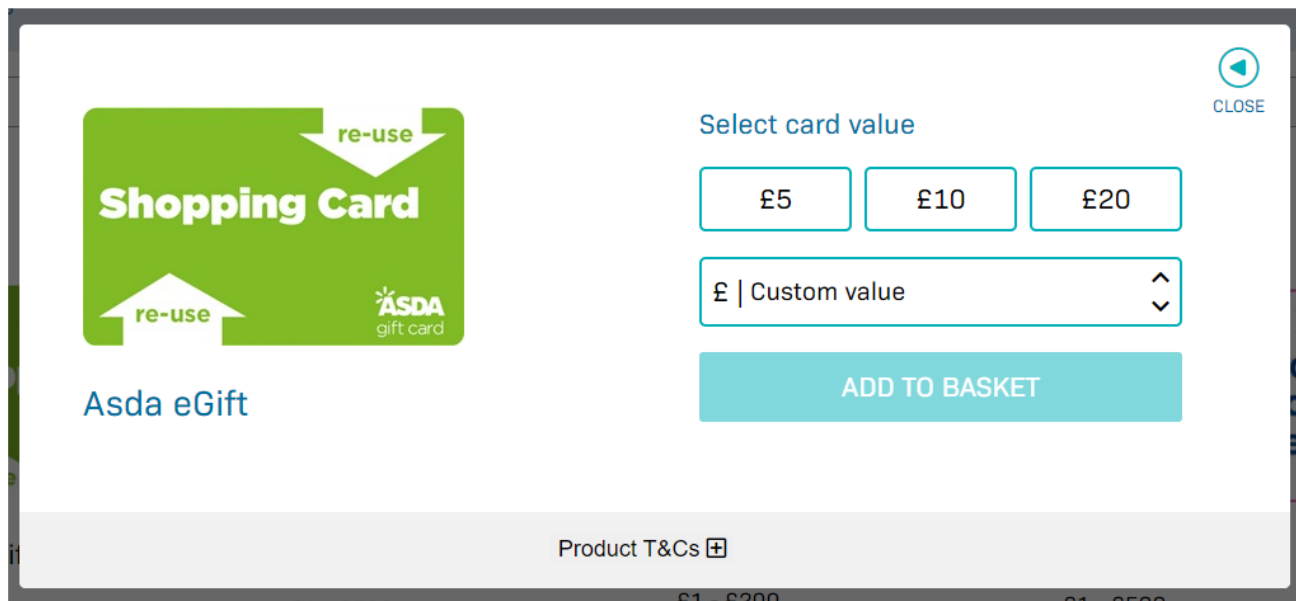

The screenshot shows the Select website interface for redeeming eCodes. At the top left, there is a logo for 'Award eCode' with a pound sign icon. Below it, a 'My Reward' section shows a balance of '£20 REMAINING'. To the right, there are icons for '+ VIEW / ADD CODES' and a shopping basket icon labeled 'MY BASKET'. Below the navigation bar, there are search filters for 'Category', 'Sort By', and a search bar with the text 'What are you looking for?'. The main content area displays '4 options found' and lists four eGift options:

Supermarket	eGift Name	Value Range
Asda	Asda eGift	£5 - £750
Morrisons	Morrisons eGift	£1 - £500
Sainsbury's	Sainsbury's eGift	£1 - £200
Tesco	Tesco eGift	£1 - £500

At the bottom of the page, there is a footer with the 'Select' logo, links for 'TERMS AND CONDITIONS', 'COOKIE POLICY', and 'PRIVACY POLICY', and the 'BLACKHAWK NETWORK' logo. A small red smiley face icon is also present in the footer area.

- By following the link, you will be taken to the Award eCode site where you can select your voucher. You will be able to choose from **Asda, Morrisons, Sainsbury's or Tesco only**. Asda vouchers can be used for online shopping but the others must be used in-store. All vouchers can either be printed or shown in store on a mobile device.

You can use a maximum of 15 codes per transaction.

Orders will be fulfilled using the highest denomination available depending on current stock availability at the time of purchasing. As such, these may be provided in £5, £10, £25 or £50 denominations.

You can check the remaining balance on your eCode by clicking here

- Please be aware that each retailer operates their own terms and conditions for the vouchers they offer. These will be shown before the voucher is added to the basket.
- The value awarded can be split across one or more supermarket, but **you must choose enough vouchers to use the full amount all at once. Once you have checked out, you will not be able to change your choice.**
